

Thank you for your interest in a 'relief cover' visit from one of our brilliant SSP approved trainers! Wherever possible we try to offer this so that you only need to pay for her release, as she works in the same education department. You will be located within a 60 minute drive of her school.
If you are located outside of this area please do contact us for options.

The usual training fees are as follows, and take place on in-service days or at the weekend:

2 hour block \$950 plus GST

Participants sent the pdf to download monster routine strips, for use within training. Access to online training and student videos for 6 months.

2 hour block (follow ups) \$850 plus GST

4 hour block \$1750 plus GST Participants sent the pdf to download monster routine strips, for use within training. Access to student videos (and more) for 12 months, ConDUCKtors.com.

6.5 hour block \$2550 plus GST (school provides lunch) Participants sent pdf to download monster routine strips, for use within training. Access to student videos ConDUCKtors.com for 12 months.

In order to secure the 'release' of an SSP teacher (ie and not have to pay the training fee) you will need to demonstrate that you have the resources in place on the day or training, in order to implement the SSP approach. We can offer 'PADs' if necessary ie we will send the goods and you pay within 14 days after arrival.

So if this is a session for P-2 teachers you will need, at a minimum :

*Monster Mapping Handbook (for Phase 1 – first 2/3 weeks of term 1) Also used for intervention
